ABOUT PMMMNMTT

The Scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching is the culmination of the Government of India efforts in launching a comprehensive umbrella scheme aimed at improving the quality of education at all levels by infusing quality and excellence in our teachers and teaching. Teachers are the backbone and the core of the education system.

With the fast pace of expansion of the education system in the country, both at school and higher education stages, improving quality has come to occupy centre stage in educational development. Needless to say, teachers hold the key for success of any effort in this direction.

With this background, Honourable Prime Minister of India launched the Scheme of Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching on 25th December, 2014.

The Mission addresses comprehensively all issues related to teachers, teaching, teacher preparation, professional development, curriculum design, designing and developing assessment & evaluation methodology, research in pedagogy and developing effective pedagogy.

The Mission addresses, on the one hand, current and urgent issues such as supply of qualified teachers, attracting talent into teaching profession and raising the quality of teaching in schools and colleges. On the other hand, the Mission pursues the long term goals of building a strong professional cadre of teachers by setting performance standards and creating top class institutional facilities for innovative teaching and professional development of teachers.

The Mission focuses on these goals in a holistic manner dealing with the whole sector of education without fragmenting the programmes based on levels and sectors as school, higher, technical etc.

Ministry of Education

ABOUT SCHOOL OF EDUCATION (SOE) GURU NANAK DEV UNIVERSITY (GNDU), AMRITSAR

School of Education is offering various academic programmes like Ph.D (Education), M.Ed (Two years), M.A. (Education - Two years), M.A. Education (Educational Management and Leadership - Two years in Blended Mode), Diploma in Early Childhood Care & Education (one year), Certificate Course in Early Childhood Care & Education (6 months), Diploma in Educational management and Leadership (One year - Blended Mode), B.Ed. Special Education (MD) (RCI Approved) and B.Sc. Early Childhood Care & Education (Honors) (Three/four years - Multiple entry/exit course). School of Education has conducted 38 programmes in 2018 at GNDU, Amritsar & given training to approximately 8056 participants.

Guru Nanak Dev University was established at Amritsar, India on November 24, 1969 to commemorate Guru Nanak Dev's birth quincentenary celebrations. The university has marked its emblem across the globe and is continuing its journey of achieving new heights in pursuance of its cherished goals. University Grants Commission (UGC) has granted category-1 status to the university, the only university to get this ELITE STATUS in the region of Punjab , Haryana, Himachal Pradesh & Chandigarh. Improving its rank from last year, Guru Nanak Dev University has been ranked 59 in the All - India university ranking released under the national institution ranking framework (NIRF) by the Ministry of Human Resource Development (MHRD), Govt. of India. Guru Nanak Dev University (GNDU) being a State University became the first university to get approval of School of Education. The SOE endeavors to provide programmes of excellence in pre-service and in-service education prospective and practicing teachers through teaching and learning, research, consultancy, publication and community services.

Ministry of Education

ABOUT IIMT

Ideal Institute of Management and Technology was established in the year 1999 under the auspices of New Millennium Education Society. The institute is affiliated to Guru Gobind Singh Indraprastha University, Delhi, and its professional courses in Law and Business Administration are recognized by Bar Council of India and Government of NCT, Delhi. Being a NAAC accredited institution, it melds state of art infrastructure with quality in education as its paramount principle. Activities held at the institute are a reflection of the resolve towards perfection instilled by the founding father Late Shri Rakesh Aggarwal whose vision was to develop the institute into a center for excellence in professional education. The aim of the institute is to cultivate in its students' high moral standards coupled with academic excellence to promote market-oriented skill development and upgradation that

would help in serving the needs of the society. From its advent, the Institution has acquired a credible position in the fields of Law, Business Administration topped with Computer Aided Management and conducts BA LLB and BBA and BBA (CAM) programmes. It has been nurturing pioneers and forerunners in these fields who have continually attained highly reputable careers as judicial officers, civil servants, advocates, academicians, managers, and professionals in the industry.

ABOUT FDP

Faculty development program (FDP) is a tool for fostering knowledge and professional skills of faculty members in order to improve their performance in education, research and administration as well as augmenting organizational capacities and culture. Such programmes not only helps the faculty members in augmenting their Instructional capabilities in contemporary educational pedagogy but also in their Professional development with better understanding of professional responsibilities as educators, researchers and administrators as well as in the Organizational development with respect to the requirements and main concerns of an institution. FDPs are also useful for Career and Personal development of the faculty members which emphasizes upon life planning, interpersonal and communication skills of faculty members.

This Faculty Development Programme is specifically designed to discuss, deliberate and come up with Use of Technological Advancements in Education, Management & Law. The early-career researchers, academicians, legal experts, and other participants will have a great opportunity to learn from the esteemed panel of experts who shall be delivering expert talks on various topical issues related to application of emerging technologies in andragogy and research.

The purpose of this programme is to provide an opportunity for distinguished scholars/ researchers/teachers in India to engage with the young faculty members and share their experiences and perspectives relating to newer methods and techniques used in teaching and research with the help of upcoming technologies. The focus of the FDP shall also be the deliberation on the impact of these technologies on academia while identifying the gaps and suggesting future reforms therein.

Ministry of Education
