ABOUT PMMMNMTT

The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching emphasises the need to change the role and working of a teacher from mere disseminator of information and knowledge to the one who advances frontiers of existing knowledge by actively developing and creating new insights into diverse social and physical phenomena.

ABOUT HANSRAJ COLLEGE

Hansraj College is one of the largest constituent colleges of University of Delhi and has been ranked as one of the top five colleges for Science, Arts and Commerce several times in the last decade. The faculty and students of the college have contributed immensely in the field of academics, sports and cultural activities. The college faculty is dedicated towards growth and development of the institution academically and administratively to constantly thrive for excellence. Hansarians have been placed in diverse professions and services worldwide and are bringing fame and laurels to the institution.

ABOUT IIMT

Ideal Institute of Management and Technology was established in the year 1999 under the auspices of New Millennium Education Society. The Institute is affiliated to Guru Gobind Singh Indraprastha University, Delhi and its professional courses in Law and Business Administration are recognized by Bar Council of India and Government of NCT, Delhi. Being a NAAC accredited institution, it melds state of art infrastructure with quality in education as its paramount principle. Activities held at the institute are a reflection of the quality towards perfection instilled by the founding father Late Shri Rakesh Aggarwal whose vision was to develop the Institute into a center for excellence in professional education. The aim of the Institute is to cultivate in its students' high moral standards coupled with academic excellence to promote market-oriented skill development and upgradation that would help in serving the needs of the society. From its advent, the Institution has acquired a credible position in the fields of Law, Business Administration topped with Computer Aided Management and conducts BA.LLB, BBA and BBA (CAM) programmes. It has been nurturing pioneers and forerunners in these fields who have continually attained highly reputable careers as judicial officers, civil servants, advocates, academicians, managers, and professionals in the industry.

ABOUT THE PROGRAMME

Faculty development programme (FDP) is a tool for fostering knowledge and professional skills of faculty members in order to improve their performance in education, research and administration as well as augmenting organisational capacities and culture. Such programmes not only help the faculty members in augmenting their instructional capabilities in contemporary educational pedagogy but also in their professional development with better understanding of professional responsibilities as educators, researchers and administrators as well as in the organisational development with respect to the requirements and main concerns of an institution. FDPs are also useful for career and personal development of the faculty members which emphasises upon life planning, interpersonal and communication skills of faculty members.

This programme is specifically designed to discuss, deliberate and come up with use of technological advancements in Education, Management & Law. The early-career researchers, academicians, legal experts, and other participants will have a great opportunity to learn from the esteemed panel of experts who shall be delivering expert talks on various topical issues related to application of emerging technologies in andragogy and research.

The purpose of this programme is to provide an opportunity for distinguished scholars/ researchers/teachers in India to engage with the young faculty members and share their experiences and perspectives relating to newer methods and techniques used in teaching and research with the help of upcoming technologies. The focus of the FDP shall also be the deliberation on the impact of these technologies on academia while identifying the gaps and suggesting future reforms therein.

OBJECTIVES

- To provide an understanding about application of technological advancements in teaching-learning methods & research in Management, IT & Law.
- To acquaint the participants with the jurisprudential dimensions of Law, Management and Technology, Internet of Things (IoT), Crypto-currency, Cyber Security, Bigdata Analytics, Block Chain, & Affiliate Marketing, etc.
- To train the early career researchers, young academicians, and other participants in development of e-content for teaching and research and competency enhancement with the help of e-resources.
- To provide in-depth understanding about teaching pedagogy in hybrid mode and use of technology therein.
- To provide an opportunity to participants to deliberate and learn about the challenges being faced in education and research in the present digital era in terms of cyber security in academia and innovation, incubation, startups and research challenges in India.

SUB-THEMES

- Law & Digital Technologies: Piracy & Cyber Spaces
- Aligning Corporate Laws with Sustainable Development Goals
- The Legal Aspect: Sustainable Development in the Era of Digitalization
- Exploring the Corporate Sustainability using Environmental, Social & Governance Law
- Content & Learning Management Systems: Moodle & Drupal
- Role of Information & Communication Technology (ICT), Augmented Reality (AR)/ Virtual Reality (VR) in Intelligent & Sustainable Manufacturing
- Overview of Cyber Security in Intelligent & Sustainable Manufacturing
