IDEAL INSTITUTE OF MANAGEMENT AND TECHNOLOGY

ABOUT THE INSTITUTE

Ideal Institute of Management and Technology was established in the year 1999 under the auspices of New Millennium Education Society. The institute is affiliated to Guru Gobind Singh Indraprastha University, Delhi, and its professional courses in Law and Business Administration are recognized by Bar Council of India and Government of NCT, Delhi. Being a NAAC accredited institution, it melds state of the art infrastructure with quality in education as its paramount principle. Activities held at the institute are a reflection of the resolve towards perfection instilled by the founding father Late Shri Rakesh Aggarwal whose vision was to develop the institute into a centre for excellence in professional education. The aim of the institute is to cultivate in its students high moral standards coupled with academic excellence to promote market oriented skill development and up-gradation that would help in serving the needs of the society.

From its advent, the Institution has acquired a credible position in the fields of Law, Business Administration, and Computer-Aided Management programmes. It has been nurturing pioneers and forerunners in these fields who have continually attained highly reputable careers as judicial officers, civil servants, advocates, academicians, managers, and professionals in the industries. In pursuit of its mission to grow as an abode of all round excellence, the institute also disseminates a wide and varied array of publications ranging from journals to newsletters and magazines of repute

ABOUT DEBATE COMPETITION

A learning community needs to be developed where sharing and cultivating ideas enhance communication skills and move forward thereby empowering ourselves to see a better world. It adds to a greater advantage of knowing the various aspects in and around the world with different views for and against. It enlarges our scope of thought and knowledge. The Debate Competition is not only about competition itself, but an educational extended activity that includes familiarization with contemporary issues of law which provides new and exciting ways of exploring the changing dynamics of the law. The Competition intends to build dedicated debaters who grow up to become persuasive speakers, analytical thinkers, and proficient researchers. Not only do debaters learn to write well-reasoned and persuasive arguments, but they also develop interest in researching and writing. Debate work becomes a satisfying competitive outlet for a student's creativity and intellect. Moreover, both debate and legal work involve applying relevant theory and precedent to the specific text of a codified law or resolution.

This year the debate revolves around Artificial Intelligence balancing efficiency and human rights in the Justice Delivery System. AI has enormous potential to be used for social good and achievement of Sustainable Development Goals. AI based technologies may offer opportunities if they are developed in respect of universal norms, ethics and sustainable standards. Even as it is used to address many of humanity's most critical issues, its use is also raising concerns about infringement of human rights like the right to freedom of expression, right to privacy, data protection and non discrimination. The use of AI in the Judicial Systems is being explored by Judicial Bodies around the World. Considering rapid developments in this field, the challenges and opportunities relating to harnessing AI in the judicial systems and their implications for human rights and the Rule of Law must form part of discussions and debates among stakeholders from the legal ecosystem.

Message from the Chairperson

School of Law, IIMT has made a remarkable contribution in generating legal awareness among the masses through various activities. Debate competition amongst youth broadens their thinking ability and brings brilliant minds together on a single platform. It is a great pleasure to organize the debate competition on 'Artificial Intelligence balances efficiency and Human Rights in the Justice Delivery System'. It is an attempt to provide young minds with the opportunity to speak their hearts out on this topic of contemporary significance.

Best wishes to the convening team!

Smt. Sudha Aggarwal
Chairperson

Ideal Institute of Management and Technology, Delhi

Message from the Secretary General

School of Law, IIMT focuses on learning not only in its academic excellence but also in its pursuit for research and innovations through various major and minor projects and also national seminars, conferences and competitions. This debate competition is a humble initiative of the School of Law, IIMT to motivate the young minds to share their reasoned thoughts and opinions on law pertinent to Artificial Intelligence balances efficiency and Human Rights in the Justice Delivery System.

I would like to congratulate the team for organizing such events for the students to boost their morale and confidence.

Congratulations to all the team members!

Sh. Vineet Aggarwal
Secretary General

Ideal Institute of Management and Technology, Delhi

Message from the Director

It is our continuous endeavor to work for improvement and provide legal education par excellence. The debate competition on 'Artificial Intelligence balances efficiency and Human Rights in the Justice Delivery System' is our mild attempt to give exposure to the students to discuss pertinent issues arising in the field of relevant laws. It is an attempt to sharpen the thinking skills of the students.

In continuation of the legacy set up by Late Sh. Rakesh Aggarwal, this debate is being organized with the purpose to spread the maximum legal awareness among the students. It will surely enhance the research and communication skills of the students on legal issues.

Good Luck to the organizers and the participants!

Prof. (Dr.) Anil Parkash Sharma
Director,
Ideal Institute of Management and Technology, Delhi

Message from Principal, School of Law

The debate competition is an experiment of creating a simulated atmosphere for the development of the seekers and their knowledge. The object is to allow the students to deliver into intricacies of the given field of current importance and to present groundbreaking arguments and contribute to the development of wisdom and understanding on current issues.

Legal consistency, factual accuracy and some degree of emotional appeal to the audience are elements in debating, where one side often prevails over the other by presenting a superior framework of the issue. Thus, the debate competition for the students are expected to put adequate reasoning for the facts of the arguments, by analyzing and composing views and arguments, conversing, disagreeing and resolving conflicts.

My best wishes to the organising team and participants!

Prof. (Dr.) Arun Gupta
Principal, School of Law
Ideal Institute of Management and Technology, Delhi

INSTRUCTIONS FOR THE PARTICIPANTS

ELIGIBILITY

- ✦ The Competition is open for all the colleges/university students from all countries. Students enrolled in any UG/PG course are eligible to participate in the competition.
- ✦ Each team shall comprise two participants with one speaking for and the other against the motion.
- ✦ Participants need to submit the Online Registration Form along with the Registration Fees of Rs.1000/- per team through the prescribed mode latest by 15th September, 2023. The confirmation for the same needs to be retained.
- ✦ The motions will be framed keeping in mind the interests of all the participants.

STRUCTURE OF DEBATE

- ✦ The format of the debate will be based upon the Lincoln-Douglas model of debating with a few modifications.
- ✦ Participants are encouraged to register in a team of two under the banner of their respective institution. Pairing from different institutions shall not be allowed.
- ✦ An institution shall be allowed to send multiple teams for the competition.
