IIMT has been successfully maintaining the harmony and peace all through these years without any single episode of campus unrest. Our Institute remains committed to the culture of celebrating diversity leading to a higher level unity. In order to promote this brotherhood and unity among all, Ideal Institute of Management and Technology arranges Fresher's meet every year so that the students with different backgrounds and from different states can adjust in each other cultures and adopt the changes in their diversity.

Our Institute has earned commendable recognition for its illustrious history of sustained cultural and academic activities through a number of clubs and societies, including the Ideal Cultural Association, Ideal Talent Club, Ideal Dramatics Club, Ideal Literary Society, Ideal Photography Club, and Ideal Music Club. We have conducted all these events at some intervals in a year to encourage all to adopt different diversities among them.

Our Institute has also organized many cultural events such as Independence Day, Diwali Celebration, Holi Celebration, Republic Day to promote diversity and culture among all. We also conducted Rakesh Aggarwal memorial National Law Conference on "Concepts and Perspectives for Integration of Intellectual Property Laws and Human Rights" in order to promote welfare.
