IIMT is dedicated to educating staff, teachers, and students about their constitutional rights and responsibilities. Students gain awareness by participating in events planned by our Institute and in classes on gender, human rights, and ethics. This year, we have organized two events which depicts the best practices adopted by us.

Legal Quiz – Commemoration of Constitutional Day

This event is organized by IIMT School of Law on which 29 teams were participated. This quiz was thoroughly based on Indian Constitution and its provisions. The aim of this quiz is to enhance the knowledge of constitution among students on the occasion of National constitution Day.

Re-establishment of Kartavya Corner and Poster Making Session- Commemoration of Constitutional Day

On the occasion of National constitution day, we encourage our students to take part in the poster making session. This event aims to explain the significance of celebrating the Constitution Day as well as the importance of our PREAMBLE to the students.
