Compiled Report

Ideal Institute of Management and Technology (affiliated to Guru Gobind Singh Indraprastha University, Delhi) in collaboration with Mahatma Hansraj Malviya Mission Teacher Training Centre (MH-MMTTC), Hansraj College, University of Delhi under the Malviya Mission Scheme, UGC organised the Malviya Mission Teacher Training Programme – cum- Faculty Development Programme(Online) on "NEP Orientation and Sensitisation" from 18th July to 28th July, 2024.

The programme is a crucial part of Government of India's efforts in launching a comprehensive umbrella scheme aimed at improving the quality of education at all levels by incorporating quality and excellence in our teachers and teaching. This programme is designed as a platform to discuss the requirements of NEP implementation to improve quality of teaching by focussing on equity and inclusion in higher education; promoting online and digital education; ensuring equitable use of technology; promoting Indian Knowledge System , promoting research & multidisciplinary and inter-disciplinary education.

The training programme was very well structured and meticulously divided into 16 Learning sessions spread over Ten days including two days marked only for assessment of the participants. The programme specifically focused on the key recommendations of NEP 2020 which require some key changes in the current higher education system to revamp and reenergize it and deliver high quality education , with equity and inclusion at par with the Global Standards. 200 faculty members from different colleges of India registered for the programme.

The programme started on 18th July, 2024 at 1.40 pm with the Inaugural session. The Chief Guest for the Inaugural was Prof.(Dr.) Anil Parkash Sharma , Director , IIMT. Chairperson , IIMT Smt. Sudha Aggarwal also joined in the session. The Chief Guest delivered a brief Inaugural Address highlighting the need for this programme in effective implementation of NEP in the Higher Education institutions.

The first topic chosen for the programme was "**ACADEMIC LEADERSHIP, GOVERNANCE & MANAGEMENT**" by **Dr. Shalini Choithrani**, from Dr. Harsingh Gaur Vishwavidyalaya , Sagar, MP. She focussed the role of academic leadership in NEP implementation. She discussed about types of HEIs and the Global ranking agencies and the ranking and accreditation agencies in india. She continued her discussion on Day 3, Session 2 ,where she discussed in details about Governance and Management practices of Educational institutions. She made participants aware about the current Regulatory Bodies for Higher Education Institutions like ,UGC, AICTE, Association of Indian Universities, MCI- Medical Council of India, Indian Nursing Council, Pharmacy Council of India, Distance Education Council. Thereafter she deliberated on how NEP attempts to improve governance by bringing in a single regulator, the Higher Education Commission of India, to regulate all Institutions with four verticals NHERC, GEC, HEGC, NAC. Lastly she talked about Institutional Development Plan framework and its major components such as, Academic Infrastructure, Research and Intellectual Property , Supportive and Facilitative System, Physical Infrastructure, Digital Infrastructure, Financial Infrastructure and Strategic Governance.

The second topic , "**RESEARCH AND DEVELOPMENT**" was discussed by **Prof. (Dr.) Anjala Kalsie** from Faculty of Management Studies, University of Delhi, in two consecutive sessions. She explained that how Research and Development (R&D) is significant in growth of higher education institutions (HEIs). She emphasised on research orientation of teaching fraternity for their personal and professional growth and for development of their subject domain. She talked intensively about 'Research Design' covered various topics like- literature review, research gap, importance of study, objectives and hypothesis, data collection, primary testing, and ultimately final framework. In her second session on Day 2 , she explained the importance of 'Formulation and Testing of Hypothesis', and how if done properly can contribute towards high quality of research, specifically in case of empirical research.

The third important topic was "**INFORMATION AND COMMUNICATION TECHNOLOGY**" taken in Session 2 of Day 2 by **Prof. Mansaf Alam** from Jamia Milia Islamia. He explained in detail the need to integrate the ICT tools into the teaching and learning process. Participants were exposed to a variety of digital tools, platforms, and strategies that can be effectively employed to engage and empower students in the classroom. Prof. Alam continued his informative session on Day 5, Session 2. He focused on the need to transform the role of teacher from information provider to learning facilitators and spoke about the difference between traditional and blended teaching. With emphasis on education 4.0, he discussed in detail the importance of Artificial Intelligence and Machine Learning in Education.

Day 3 started with the fourth Topic, "**Holistic and Multi- Disciplinary Education**" by **Dr. Debjani Roy**, from Ranchi University. The speaker briefed about meaning of holistic education and its four key aspects namely, skill education, ethics & value education, experiential education and hands on experience. She explained that Holistic education is a balance between the

pedagogy and philosophy . She shared the views of Swami Vivekananda, Tagore, Malaviya and Rishi Aurobindo towards the education philosophy. She spoke about the four pillars of holistic learning (UNESCO), namely, Learning to learn, Learning to do, Learning to live and Learning to be. Her second session on Day 4, was devoted to Multi-Disciplinary Education. She started by explaining in detail the importance of multi-disciplinary education and the characteristic features of teachings in Education 1.0, 2.0, 3.0 and 4.0 . She explained how NEP is focussed on enhancing critical thinking, flexible and innovative curriculum, community engagement and value-based education. She shared that the new curriculum for four year under-graduate programme has been chalked to incorporate common, elective, and value-added courses for the students to opt from .

The Topic for second session on Day 4 was "**HIGHER EDUCATION AND SOCIETY**" by **Dr. Anurag Kakkar** from Hansraj College. He highlighted the changing relationships between higher education and society and how education has to play a main stream role for preparing the students for their role as contributors to society. Therefore, higher education has to be multi-disciplinary , flexible, inclusive , experiential research-oriented and collaborative.

Today we had some more exposure on the topic in the session 2 taken by **Dr. Hemang Desai** from Central University of Gujarat.

Day 5 started with the discussion on the topic "**INDIAN KNOWLEDGE SYSTEM**" by **Prof. (Dr.) Shivani**, from Panjab University, Chandigarh. She discussed in detail the (IKS) Indian knowledge system which finds its roots in the ancient texts such as the Vedas, Upanishads, and epics like the Mahabharata and Ramayana . It is a testament to the country's intellectual depth, cultural diversity, and enduring legacy. It continues to evolve, blending ancient wisdom with modern innovations to address contemporary challenges and contribute to global knowledge. By safeguarding and promoting its rich heritage, India can continue to inspire and influence global thought and progress. She continued her discussion on the topic today in session 1 making us all feel proud of our rich heritage.

The two sessions on Day 6 were devoted to the topic "**SKILL DEVELOPMENT**" by **Prof. Amita Dutt** from Rabindra Bharati University. She started the first session with the meaning, need & importance of skill development in education, emphasising on 4 types of skills, namely, Job skills, Leadership skills, Organizational skills, Life skills, Communication skills. She also talked about the objective of Education, role of Education in skill development and how to develop skills in both the students and Teachers. In the second session , she discussed the Challenges in skill development including limited accessibility to quality education and training, skill mismatches in the job market, and the rapid pace of technological change. She deliberated on the solutions like fostering a culture of lifelong learning, promoting inclusive education and training programs, and encouraging public-private partnerships to bridge gaps in skill availability and demand.

The two sessions on Day 7 were devoted to the topic, "**STUDENT DIVERSITY AND INCLUSIVE EDUCATION**" by **Prof. (Dr.) Snighda Das** , Utkal University. She started the session by asking all teachers to read and imbibe the NEP document in true spirit. After this she explained the concept of Diversity and Inclusive Education. She focused on equitable and inclusive education and its five pillars which are Access, Equality, Quality, Affordability and Accountability. She further elaborated on the strategy to promote inclusive education for students with diverse learning needs by providing a sensitive environment, by providing an

encouraging environment for guided learning, by expressing positive regard and support, facilitating flexibility, autonomy and independence in education.

The Valedictory Session on 27th July, 2024 at 4.40 pm was anchored by Dr. Sangeetha Abraham. Dr. Deepa Jain welcomed and felicitated the Chief Guest of the Session, Prof.(Dr.) Anil Parkash Sharma. Director, IIMT. Ms. Rakhi Gangal felicitated Dr. Vineeta Sharma, Principal, BBA-1st Shift. Prof. (Dr.) Hemlata felicitated Prof.(Dr.) Arun Gupta, Principal, School of Law/ Thereafter Dr. Sangeetha shared the message from Chairperson, IIMT, Smt. Sudha Aggarwal. After this, Dr. Vineeta Sharma shared her observations about the programme and appreciated the well coordinated efforts of all the team members.. The Valedictory Address was delivered by the Chief Guest of the session, Prof.(Dr.) Anil Parkash Sharma. Director, IIMT. At the end, the Vote of Thanks was proposed by the Organising Secretary of the programme, Prof.(Dr.) Arun Gupta.

The 10 days programme is surely going to make all the participants more aware about their transformative role in the fast evolving Indian Education System. They will understand the need to bring change in approach in teaching pedagogy, to take lead and become facilitators in the implementation of the NEP 2020. We all can take the pledge that " TOGETHER WE CAN AND WE WILL MAKE THE DIFFERENCE".

IDEAL INSTITUTE OF MANAGEMENT AND TECHNOLOGY

ABOUT THE INSTITUTE

Ideal Institute of Management and Technology was established in the year 1999 under the auspices of New Millennium Education Society. The Institute is affiliated to Guru Gobind Singh Indraprastha University, Delhi, and its professional courses in Law and Business Administration are recognized by Bar Council of India and Government of NCT, Delhi. Being a NAAC accredited institution, it melds state of the art infrastructure with quality in education as its paramount principle. Activities held at the institute are a reflection of the resolve towards perfection instilled by the founding father Late Shri Rakesh Aggarwal whose vision was to develop the institute into a centre for excellence in professional education. The aim of the institute is to cultivate in its students high moral standards coupled with academic excellence to promote market oriented skill development and up-gradation that would help in serving the needs of the society.

From its advent, the Institution has acquired a credible position in the fields of Law, Business Administration, and Computer-Aided Management programmes. It has been nurturing pioneers and forerunners in these fields who have continually attained highly reputable careers as judicial officers, civil servants, advocates, academicians, managers, and professionals in the industries. In pursuit of its mission to grow as an abode of all round excellence, the institute also disseminates a wide and varied array of publications ranging from journals to newsletters and magazines of repute

ABOUT DEBATE COMPETITION

A learning community needs to be developed where sharing and cultivating ideas enhance communication skills and move forward thereby empowering ourselves to see a better world. It adds to a greater advantage of knowing the various aspects in and around the world with different views for and against. It enlarges our scope of thought and knowledge. The Debate Competition is not only about competition itself, but an educational extended activity that includes familiarization with contemporary issues of law which provides new and exciting ways of exploring the changing dynamics of the law. The Competition intends to build dedicated debaters who grow up to become persuasive speakers, analytical thinkers, and proficient researchers. Not only do debaters learn to write well-reasoned and persuasive arguments, but they also develop interest in researching and writing. Debate work becomes a satisfying competitive outlet for a student's creativity and intellect. Moreover, both debate and legal work involve applying relevant theory and precedent to the specific text of a codified law or resolution.

This year the debate revolves around Artificial Intelligence balancing efficiency and human rights in the Justice Delivery System. AI has enormous potential to be used for social good and achievement of Sustainable Development Goals. AI based technologies may offer opportunities if they are developed in respect of universal norms, ethics and sustainable standards. Even as it is used to address many of humanity's most critical issues, its use is also raising concerns about infringement of human rights like the right to freedom of expression, right to privacy, data protection and non discrimination. The use of AI in the Judicial Systems is being explored by Judicial Bodies around the World. Considering rapid developments in this field, the challenges and opportunities relating to harnessing AI in the judicial systems and their Implications for human rights and the Rule of Law must form part of discussions and debates among stakeholders from the legal ecosystem.

Event Report

Name of the Activity:	Rakesh Aggarwal Memorial Online National Debate Competition, 2023		
Theme of the Activity:	Artificial Intelligence Balance Efficiency and Human Rights in the Justice Delivery System		
Activity Date(s):	22/09/2023- 23/09/2023	No. of Participants:	92

Brief Description of the Guests/Participants(like industry experts, students, faculty etc):

The Rakesh Aggarwal Memorial Online National Debate Competition, 2023 witnessed multiple legal luminaries in the form of Chief Guest for the Inaugural and Valedictory Session and Judges for the Elimination, Quarter Final, Semi Final and Final Rounds. The School of Law, IIMT was honored by the presence of Hon'ble Mr. Justice Iqbal Ahmed Ansari (Former Chairperson, Punjab State Human Rights Commission & Former Chief Justice, Patna, High Court) as the Chief Guest for the Inaugural Session and Sh. Abhilash Malhotra, Joint Registrar (Judicial) (CPC) as the Chief Guest for the Valedictory Session.

The faculty members of the institute alongside the alumni adjudged the Elimination Round and qualified participants to the Quarter Finals were adjudged by the Alumni. For the Semi Final Rounds the judges were Ms. Aparajita Kumar (Reaserch Scholar, NALSAR, Hyderabad and Former Assistant Professor, SLS, Pune) and Mr. Kaustabh Shakkwar (Consultant, National Economic Forum and Founder K.A.S. & Co.Advocates and Solicitors). The Final Round was adjudged by the Sh. Abhilash Malhotra, Joint Registrar (Judicial) (CPC) alongside Mr. Manik Ahluwalia and Mr. Vishal Singh.

The National Debate Competition received diverse participation from NLU's, Central Universities, State Universities, Private Universities across the country.

Brief Description of Activity:

The Ideal Institute of Management and Technology since its very inception has recognized these wide arrays of benefits of debating culture amongst its students and annually organizes Rakesh Aggarwal Memorial National Debate Competition on contemporary issues of legal significance.

This year the institute organized an Online National Debate Competition which was spread across two days 22nd -23rd September , 2023 on the topic "Artificial Intelligence balances efficiency & human rights in the Justice Delivery System" using the WebEx platform.

The event was commenced by seeking the blessing of the goddess Saraswati. The tone of the event was laid down by the concept note. Subsequently the director of the institute, Prof. (Dr.) Anil Parkash Sharma welcomed and felicitated the venerated Chief Guest and also eloquently read the versatile profile in his welcome address.

The Competition was structured into four rounds beginning with the Elimination Round wherein 46 teams were divided into four breakouts and were adjudged by two judges on the basis of 'Matter, Manner and Method.' Thereafter, Eight qualifying teams battled out in the Quarter Finals on Day 1.

On day 2 the qualified teams were further divided into groups of 2 to compete against each other in a knock out round and out of each group the winning team was moved to the final round. In the Valedictory Session the Chief Guest was duly welcomed and felicitated alongside the dignitaries and was welcomed to address the gathering wherein he applauded the institute and the participants for their efforts. Thereafter, the Chief Guest alongside the Judges of the final rounds was presented with the letter of appreciation. Further, the results were announced and the winners were awarded certificates and cash prize.

The session was a kaleidoscope of opinions, thoughts, ideas and perspectives that definitely enhanced the knowledge and understanding of the topic among students. The efforts of each individual were acknowledged in the Vote of Thanks for making the event a grand success. The event was concluded in a positive note by honoring the front line warriors.

Subject: Proposal for collaboration for workshop
To: Dr. Jasmandeep Kaur <jasmandeepk.iimt@gmail.com>

Good afternoon,

Girl Up Sheisha is a youth-led volunteer Club under the Girl Up Campaign, which is a leadership initiative founded by the UN Foundation. Since the last two years, we have been successfully working towards empowering women, children and the LGBTQIA+ community. Our key areas of advocacy include promoting intersectional feminism, providing access to education, menstrual equity, mental health awareness, women's representation in STEM, finance and sports, gynaecological cancer awareness, responsible allyship for the Queer community, and gender-based violence prevention.

We have conducted several activities and campaigns, both online and offline, on diverse and wide-reaching agendas in the form of webinars, podcast interviews, awareness and distribution drives, fundraisers and stall exhibits all over Delhi NCR.

Girl Up Sheisha has collaborated with 'Project Campus Allies - Know your Rights', which is led by the Azadi Leaders, and aims to enhance legal literacy and awareness about gender-based violence within educational institutions. We hope to organise a workshop on Prevention and Redressal of Sexual Harassment in campuses, and how we can make campuses safer.

- Day & Date - Saturday, 16th September
- Time - 9am - 1pm
- Venue - Ideal Institute of Management and Technology

Workshop Overview :

26/23, 11:16 AM

Gmail - Fwd: Proposal for collaboration for workshop

The session will encompass a comprehensive range of topics designed to provide participants with a well-rounded understanding of the subject matter. The key components of our workshop include:

1. **Theoretical aspect** : which is legal frameworks- definitions broken down, how did the law develop and how is it-evolving
2. **Interactive Activities** : Anonymized real-life case studies, focusing on identifying instances of assault with a consideration for intersectionality, will engage participants actively.
3. **Real-Life Case Study and ICC Case Files** : A case study analysis will allow participants to delve deeper into the practical application of the legal principles discussed.
4. **Evidence and Punishments** : An overview of admissible evidence and potential sanctions for offenders will be discussed.
5. **Open Dialogue and Q&A** : Open dialogue and q/a with advocate Ayushma Awasthi, PoSH consultant and litigation at Supreme Court, addressing participants' questions and concerns. She has also done a workshop for the World Food Programme and has done workshops and advisory work for the Chhattisgarh State Electricity Board.

We believe that we can collectively work towards eradicating gender-based violence from the college spaces.

Thank you for your time and consideration.

Warm Regards,

Team Girl Up She^श and Project Campus Allies.

International Conference, 2023

ABOUT THE INSTITUTE

Ideal Institute of Management and Technology, affiliated to Guru Gobind Singh Indraprastha University, was set up in the year 1999, under the aegis of New Millennium Education Society. Since its inception, the Institute has acquired a commendable position as a premier educational institution imparting education in the fields of Management and Law. The Institute conducts BALLB, BBA and BBA(CAM) programmes of GGSIP University, Delhi. The Institute is dedicated to imparting quality education to its students and making them empowered to face the challenges of the real world after their graduation. The Institute also focuses on its role as contributor to research and encourages its faculty members to write quality research papers in the areas of their interest.

ABOUT THE CONFERENCE

"The Sustainable Development Goals (SDGs), also known as the Global Goals, were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity.

The 17 SDGs are integrated—they recognize that action in one area will affect outcomes in others, and that development must balance social, economic and environmental sustainability.

Countries have committed to prioritize progress for those who're furthest behind. The SDGs are designed to end poverty, hunger, AIDS, and discrimination against women and girls."

We are just seven years away from reaching the finish line to the attainment of SDGs. It is important for all the stakeholders, as the Global citizens to pool their creativity, knowledge, technology and financial resources and contribute towards the achievement of the SDGs. This requires more sustainable development at the global, regional, national and local level. Societies need to re-orient themselves and find innovative ways to create the developmental pathways leading towards these goals. This conference mainly focuses on the contributions made by the researchers in aligning the contemporary Management and IT practices towards the realization of the SDGs.

ABOUT RESEARCH & DEVELOPMENT CELL

Research & Development Cell at our campus plays an integral part in nurturing the values of the institute aligned with its vision of providing quality education and contributing as academicians through our research related to the contemporary issues and challenges. It works to promote a dynamic research culture in the campus and encourages students and faculty members to undertake research problems in the newly emerging fields. It also provides a framework that enables reassessment and refinement of current practices in the world of academia and industry. With the aim of providing a common platform for industry, researchers and academicians to deliberate upon the innovative business practices being followed for the attainment of SDGs by 2030, we are proud to organize the International Conference on "*Innovative Developments in Management & IT: The Era of 17 SDGs*".
